## MAKING ROOM FOR GOD'S PEOPLE GIVING CAMPAIGN

To All Members of the Shady Grove Baptist Church Family:

Sis. Woullard and I are thrilled you have made Shady Grove Baptist Church your Church home. We continue to be both humbled and honored that God has allowed us to minister to you. At the same time, we are encouraged and inspired by the continual growth of our church. And now that you are a part of the SGBC family, we want to give you every opportunity to grow personally...and help us continue to reach out to our community in Jesus' name.

The first Sunday in January 2010, we are inviting everyone at Shady Grove Baptist Church to join in a significant growth opportunity which we are calling the 'Making Room for God's People Campaign'. We want you to become a part of this life-changing, faith-stretching action. "Making Room" has four goals:

- First, to encourage the spiritual growth of every member/attendee in our church family.
- Second, to deepen personal commitment to God's purposes for each of us and our church family.
- Third, to grow in our financial commitment to the development of our church property, which will enable us to continue to reach out as a church.
- Fourth, to make room for the many attendees on Sunday morning so they can worship God in the place they have chosen.

"Making Room" is a faith-raising campaign—not a fundraising campaign.

So dive into the brochure and read all about it. Then set aside some time and join Sis. Woullard and me between now and the end of the year to prayerfully decide what God wants you to give. It will be exciting to consider how God will use each of us together as we accomplish even better things in the future. (Luke 14:22) *And the servant said, Master it is done as you commanded, and still there is room.*

The enclosed “Making Room” brochure provides an overview of the purpose of the campaign. Buildings don’t change lives, but what goes inside those buildings is what changes. We want Shady Grove Baptist Church to be a place of purpose! We are making room so people’s lives can be built through Worship, Fellowship, Teaching, Service, and Outreach.

If you have any questions or would like additional information, please feel free to give us a call at 601.583.9243.
